  - Resurrect/Review irrigation usage spreadsheet by neighborhood
    - Claude (MainScape) explained his irrigation schedule data with the committee.
    - Rich Knaub ask MainScape to purchase (4) pressure data loggers to be used to monitor irrigation line pressure in the Riverwood neighborhoods.
    - Susan MacPherson (S/T) recommended that it would be more cost effective for Riverwood to rent any equipment necessary to pump from the ‘big’ lake into our irrigation lake.
- Irrigation Operations Update (Gold Standard Report)
  - Susan MacPherson (S/T) reviewed the January 2017 Gold Standard Report with the water committee.
  - Severn Trent is following up with the homeowner at 2860 Myakka Creek Ct. about the “missing irrigation meter”.
  - Osprey Landing will discuss purchasing ‘new’ irrigation valves at their annual meeting in March.
- Potable Water Update
  - Susan MacPherson (S/T) reviewed the January 2017 Gold Standard Report with the water committee.
  - Water Quality Issues
    - Ice-pigging Project Update
      - Silver Lakes water quality remains at the high chlorine levels with minimal flushing
- Billing Status Report Updates
  - The committee reviewed the zero usage report and discussed its validity. We did seem to find a concern with the reports accuracy. S/T is to investigate.
- Potential projects for 2017/18 timeline
  - Water/Utility Billing projects for consideration
    - Potable Water
      - Cleaning schedule of potable water lines in Riverwood
      - 2<sup>nd</sup> main water supply line
